

MECCA: SHRINE CHANGES SINCE THE 1800's

The **World Order** today is focused in the World Body, the United Nations. It is a Jesuit-Illuminati organization seeking the creation of a Global Government. The *United Religions Initiative (URI)* has been established to unite all faiths under one controller.

VATICAN CREATES ISLAM

Catholicism and Islam share many Hindu traits. Both use "holy objects" and use Shiva beads for prayer. An idol can be a **form** shaped as a man or animal, or in the case of Islam, a building to bow down to. Teachings are strictly controlled and failure to comply with the teachings is severely punished.

The plan to relocate the papacy's **HQ** to Jerusalem was the primary reason for creating Islam. They selected and trained Muhammad to lead the Arabs to understand the holy land was theirs by **birthright**. All the Vatican had to do was convince Muhammad the land belonged to the descendants of Yishmaal, motivating him to **conquer the land given to them by Allah**.

This is also why the Arabs are fighting among themselves to this day. Arrangements for a war against the occupiers of the land were made. Islam was **designed** for war. A former-Jesuit at the Vatican, Alberto Rivera, revealed who invented Islam to serve the purposes of the papacy. An Arab nun, **Khadiyah**, became the wife and advisor of a young man named Muhammad. He was cultivated to be a kind of Messiah to the Arabs, and all of North Africa was informed they should expect the arrival of a

great prophet very soon. Muhammad led his band of violent raiders to attack the the Shiva shrine at Makkah (Mecca) in the year 622. He removed hundreds of idols inside, and then fled to Medina (the flight is called the hejira). This marked the first Muslim community, and the fame of its leader and his new teachings spread like wildfire.

Cardinal Bea shared this with Alberto: "The pope moved quickly and issued bulls granting the Arab generals permission to invade and conquer the nations of North Africa. The Vatican helped to finance the building of these massive Islamic armies in exchange for three favors:

- 1: Eliminate the Jews and Christians (both called infidels)
- 2: Protect the Augustinian Monks and Roman Catholics.
- 3: Conquer Jerusalem for "His Holiness" in the Vatican.

The funding and planning came from one source, and each careful step brought the papacy closer to its goal: *to conquer Jerusalem for His Holiness.*

"And now you know who restrains, for him to be revealed in his time."

200 years BC, India's kingdom swelled to the Middle East. The Silk Road trade route brought Hindu ideas, like walking around buildings, beads, bowing on mats, Shakti & Shiva's symbol, the star and crescent, building architecture with phallus domes, depictions of Hinduism's highest act of worship,: *shivaling with their shivalingams.*

ABOMINATION OF DESOLATION

IMAGE OF THE DESTROYER OF CIVILIZATION

The Hebrew concept of SHIQUTS is an image, translated **abomination**. The messenger Gabriel was sent to Daniel about events in the future. An apocalyptic message concerning an **abomination of desolation** was referred to. As we search for this **destroyer of civilization**, we easily find what cannot be mistaken by anyone aware of history, or even the daily news. It will endure to the end.

READER WILL UNDERSTAND - MT 24:15

Daniel 12:11 describes the setting-up of an abomination, a common Hebrew interpretation for an idol, or **form**. Mt. 24:15 Refers to this text. Yahusha told us **the reader** would understand in the end times.

The **idolatrous form** associated with **desolation** is the Shiva dome, and it is set up (built) in a **qodesh place**: the Temple Mount.

The **destroyer** in the Hindu trinity is **Shiva**, whose **image** is primarily the **crescent** symbol, associated with a **star**. The star represents his wife Shakti (avatar of Parvati).

The Shrines of Shiva the **destroyer** typically involve a **dome-shaped feature** (Shiva's phallus), the practice of circumambulation (walking around), a **shivalingam**, and a mat (a sacred space on which to bow to the idol). These Hindu features are expressed at the Shiva shrine at Mecca, and imitated at all other Muslim shrines around the world. As Christianity absorbed certain practices via Roman Sun worship, Islam reflects a Hindu version of the ancient Nimrod culture.

DOMED ARCHITECTURE

The Masonic connection to Shiva worship involves symbols such as the **crescent** and **star**, as well as the **dome designs** seen in the architecture of many religious and governmental buildings all over the Earth. The Masons worship a **great architect**, the original builder of the tower at Babel, **Nimrod**.

If we combine all these elements, the perfect candidate for the **abomination of desolation** (destroyer) is the Shiva shrine built on the Temple Mount by Muslims.

ISLAM: DESTROYER OF CIVILIZATION John Wesley on Islam:

"Ever since the religion of Islam appeared in the world, the espousers of it ... have been as wolves and tigers to all other nations, rending and tearing all that fell into their merciless paws, and grinding them with their iron teeth; that numberless cities are raised from the foundation, and only their name remaining; that many countries, which were once as the garden of God,

are now a desolate wilderness; and that so many once numerous and powerful nations are vanished from the earth! Such was, and is at this day, the rage, the fury, the revenge, of these destroyers of human kind."

— John Wesley, "The Doctrine of Original Sin, Works" (1841), ix 205

Winston Churchill on Islam:

"How dreadful are the curses which Mohammedanism lays on its votaries! Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia in a dog, there is this fearful fatalistic apathy. The effects are apparent in many countries. Improvident habits, slovenly systems of agriculture, sluggish methods of commerce, and insecurity of property exist wherever the followers of the Prophet (Muhammad) rule or live. A degraded sensuality deprives this life of its grace and refinement; the next of its dignity and sanctity. The fact that in Mohammedan law every woman must belong to some man as his absolute property, either as a child, a wife, or a concubine, must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men. Individual Moslems may show splendid qualities, but the influence of the religion paralyzes the social development of those who follow it.

No stronger retrograde force exists in the world. Far from being moribund, Mohammedanism is a militant and proselytizing faith. It has already spread throughout

Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science, the science against which it had vainly struggled, the civilization of modern Europe might fall, as fell the civilization of ancient Rome."

—Sir Winston Spencer Churchill (The River War, first edition, Vol. II, pages 248-50 (London: Longmans, Green & Co., 1899).

Danial 11:31 relates to the **Qodesh Place** and an over-powering force that profanes the Temple itself: **"And strong ones shall arise from him and profane the set-apart place, the citadel, and shall take away that which is continual, and set up the abomination that lays-waste."** *Muslims now control it.*

Up to now this has been interpreted as fulfilled by the Greek ruler known as Antiochus IV Epiphanes, when he installed **an image** (abomination) of Zeus inside the Temple. After 3.5 years the Maccabees overthrew their Greek oppressors, and this is celebrated yearly by what is known as **Hanukkah** (see Yn. 10:22, 23).

ANTI-MASHIAK IMPOSTERS

Many have expected an imposter to claim to be the Mashiak, and this has happened on repeated occasions. There have been self-proclaimed false Mashiaks from the nation of Yisharal, and those proclaimed Mashiak by others, such as the "Rebbe" of the Chabad Lubavitchers, Menachem Mendel Schneerson (died 1994). Several popes have claimed to be "Christ on Earth," and some have claimed themselves to be "LORD GOD." These men claim the title "Holy Father." If this title is not the

greatest abomination possible, it will have to do until the real abomination comes along.

IN THE QODESH PLACE

Since the crusades, the objective of the papacy has been to move from Rome to Jerusalem to rule. If a pope visits, or moves to Jerusalem, some expect another fulfillment to occur. Paul writes on this subject.

2Thessalonians 2:1-12:

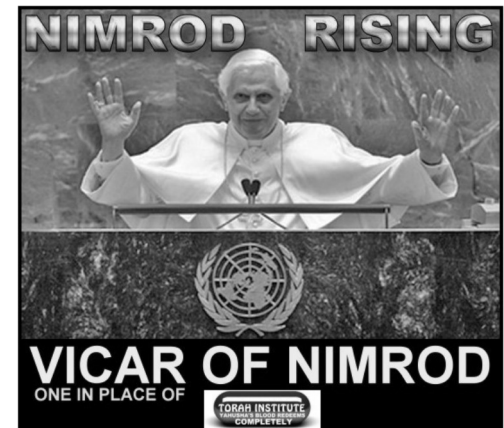

"As to the coming of our Master Yahusha Mashiak and our gathering together to Him, we ask you, brothers, not to become easily un-settled in mind or troubled, either by ruach or by word or by letter, as if from us, as if the yom (day) of Yahuah has come.

Let no one deceive you in any way, because the falling away is to come first, and the man of lawlessness is to be revealed, the son of destruction, who opposes and exalts himself above all that is called Alahim or that is worshipped, so that he sits as Yahuah in the Mishkan of Yahuah, showing himself that he is Yahuah.

Do you not remember that I told you this while I was still with you? And now you know who restrains, for him to be revealed in his time.

For the secret of lawlessness is already at work – only until he who now restrains comes out of the midst. And then the lawless one shall be revealed, whom the Master shall consume with the Ruach of His mouth and bring to nothing with the manifestation of His coming.

The appearing of the lawless one is by means of the working of shatan, with all power and signs and wonders of falsehood, and with all

deceit of unuprightness in those perishing, because they did not receive the love of the Truth in order for them to be delivered. And for this reason Yahuah sends them a working of delusion, for them to believe the falsehood, in order that all should be judged who did not believe the Truth, but have delighted in lawlessness."

Paul mentioned a **Mishkan**, the Hebrew word for the Dwelling Place. This could refer to an actual rebuilt Temple, or it could refer to the Dwelling Place being the "place" where the Temple building stood, the Temple Mount. When the man of sin stands on the Temple Mount, the Qodesh Place, certainly we will witness a type of abomination.

ECUMENE: WORLD ORDER

The objective of ecumenism is to restore power and authority to the papacy that was lost due to the reformation. The Jesuit Order is established to accomplish this goal by any means necessary. Deposing kings and princes is in their wheelhouse.

The objective of ecumenism is to unify religions, focusing all control over beliefs under **one authority**.
